Navigation

The screenshot shows the Velos eResearch interface. At the top, there is a navigation menu (1) with options: Personalize, Manage, Libraries, and Reporting. To the right of the menu is a search bar (2) labeled 'Study #, Title or Keyword' with a magnifying glass icon. Further right is the user profile area (3) showing 'WCG Training', a home icon, a help icon, and the user name 'Laura Palmer'. Below the navigation bar, there is a 'Current Page' indicator showing 'Velos eResearch >> Homepage'. A search section includes a 'Search A Study' input field, a 'Search' button, and an 'Advanced Search' link. An 'Account Forms' button is also present. The main content area is divided into 'Last Modified Studies' and 'My Links'. The 'Last Modified Studies' section contains a table with columns for Quick Access, Study Number, Study Title, and Study Status. The 'My Links' section includes 'Clinical Trials' and 'Clinical Trial Listings' with links to active clinical trials.
